PRESENT YOUR COUNTRY THROUGH
THE BOOKS OF UTOPIA LIBRARY

A wide-angle photograph of a modern library interior. The space is characterized by a prominent red brick wall in the background, which features several arched windows and doorways. The library is multi-level, with concrete walkways and white metal railings on the upper floors. Bookshelves are integrated into the design, with some on the upper levels and others in the foreground. The ceiling is high and features a grid of recessed linear lighting fixtures. The overall atmosphere is bright and open.

The image shows a spacious, multi-level library interior. The central wall is made of red brick and features several arched windows and doorways. On either side, there are mezzanine levels with white railings and wooden bookshelves. The ground floor has a concrete floor with a long wooden display table in the center and a small table with chairs on the right. The ceiling is high with a grid of recessed linear lights.
